## **ACKNOWLEDGEMENTS**

We would like to acknowledge the volunteer efforts of the many community groups and non-profit organizations that serve the City of Southlake and allow for programs, projects, and services that might otherwise be unavailable. These organizations include, but are not limited to, Southlake Program for the Involvement of Neighborhoods (SPIN), Grapevine Southlake Soccer Association, Southlake Baseball Association, Southlake Carroll Lacrosse Association, Southlake Girls Softball Association, Keep Southlake Beautiful, Southlake Sister Cities, Southlake Historical Society, Southlake Community Band, Bob Jones Nature Center, local boy and girl scout troops, and many others who graciously donate their time and services for the benefit of our community.

A very special thanks to all of the 2004 Bob Jones Nature Center Photo Contest entrants whose spectacular photos grace the contents of this master plan.
