

Safety Spotlight

Summer Safety Reminders

June 2016

Summer signifies a lot of on-the-go activity for families including travel, family vacations and water activities. Please talk about these important safety reminders with your family to help reduce the possibility of injury.

Did you **hide** your things, **lock** your car, and **take** your keys? Don't let thieves steal your summer fun.

Is there **constant supervision** with **no distractions** while children are playing in the water?

Is your child's **car seat** ready for travel and the most secure in the event of an accident?

Does your child's safety **helmet fit** properly? Does your child wear their helmet on **every ride**?

Are you traveling with a **distracted free driver**? Driving distracted is like driving blindfolded.

Did you make a plan if you are **drinking OR driving**?
