

**POOL BARRIER CERTIFICATION**  
**ALARM LETTER**

SITE ADDRESS \_\_\_\_\_

POOL CONTRACTOR \_\_\_\_\_

This document requires that the homeowner certify that one (1) of the following protection methods has been installed. For dwellings without a certificate of occupancy, the general contractor listed on the NRES permit shall sign the form. The house must have permanent electric service for this form to be valid. Upload this completed form to the permit attachments.

I certify that one (1) of the following protection devices has been installed at all doors with direct access to the pool (select one).

[ ] Doors with direct access to the pool shall be equipped with an alarm which produces an audible warning when the door and/or its screen, if present, are removed. The alarm shall be listed and labeled in accordance with UL 2017. The deactivation switch(s) shall be located at least 54 inches above the threshold of the door.

[ ] Doors with direct access to the pool area shall be equipped with self-closing doors and self-latching devices. The latch must be at least 54 inches above the threshold of the door.
